

SANBORN AREA HISTORICAL SOCIETY

SALUBRIS

President's Message

What a busy summer. Our annual Farm Festival at the end of July was a great success. We also had our Country Breakfast in September. A great job done by these committees and the many people who helped to make the events possible.

We were successful in outfitting the inside of the Legion Building with display cases and shelves, racks and mannequins. There will be much to be done to get all the displays set up.

There will be a dedication of the Legion Building on October 20 at 1 PM. At that time the building will be formally named the Treichler Building in honor of Gerry Treichler who has been a key contributor to the Legion Building project since the beginning and has been a major contributor to the success of the Sanborn Area Historical Society.

The Town of Lewiston is still planning to complete the sewer line to the Farm Museum by the end of the year. We appreciate the great support from the Town of Lewiston!!

Thanks to everyone for your support this summer that has allowed us to be successful in putting on our events and working on our many projects. Let's keep it going this fall!!

THE TREICHLER BUILDING

We are completing the Legion Building project. A great job done by all involved as we are completing the project in budget and it looks great!!

We were successful in outfitting the inside of the Legion Building with display cases, shelves and racks thanks to donations of shelves and a great deal we got for these items from **BonTon** when they were closing. We were also able to purchase mannequins for display of historical clothing. The front part of the building will be set up as an old church and the back part of the building will be set up primarily as displays to honor veterans over the years. There is much to be done to get all the artifact displays set up.

The Sanborn Area Historical Society cordially invites you to the Official Dedication and Ribbon cutting Ceremony of the Treichler Building on Saturday, October 20 at 1:00 p.m. at their Sanborn-Lewiston Farm Museum.

The building is named in the honor of **Gerry Treichler**. **Gerry** was a key person in the Legion Building project from the start and **Gerry** has also been a key person in the success of the Sanborn Area Historical Society. Please try to attend the dedication.

THE TREICHLER BUILDING

INSIDE THE TREICHLER BUILDING

There are so many to thank for this project. The **Sanborn American Legion Post 969** for agreeing to donate the building to SAHS. The **Town of Lewiston** for sponsoring the Greenway submission and grant to provide the funding for the project.. The Greenway Commission and host communities for approving the grant to provide the funding. **Gerry Treichler** and the Pro Bono work done by Attorney **Joe Leone** for all the work on the transfer of ownership to SAHS along with the Greenway Grant submission and administration for SAHS. All the work on the building move to the Farm Museum by a team of our members. The **Matthew Moving Company** of Rochester for a great job on the move. The construction work by Jay Wendt as the lead contractor. Paul Calkins for taking the lead on the construction project the last few years and bringing it to a successful finish on budget and looking great. There was also a team of SAHS members who put in many hours of work on the project. We also have to thank **Kevin Haskell** for his gratis work of installing our chimney top, **Paul Beecher** for his gratis work doing electrical installation in the building and the Niagara County Sheriff's Work Program for all the hours put in on the project that was critical to us being able to stay in budget and get the work done. A great job done by all and much to celebrate at the dedication as we successfully preserve and put on display one of the older buildings in the area.

Of course, we all thank **Bonnie** for her dedication and leadership over the years **Bonnie reported that SAHS will be receiving \$5000 from the State through the sponsorship of Senator Robert Ort. This is to be spent on a new capital expenditure project**

SANBORN-LEWISTON FARM FESTIVAL-

Our great 14th annual farm museum festival was held on the last weekend of July. Chairmen **Bonnie Haskell** thanks all of the over 100 our members with their family and friends working where needed plus additional members working behind the scenes making those delicious baked goods. We especially thank the Volkswagen group for coming on board this year with the setup of the car cruise for their vin-

tage cars and other classic cars as well as helping out in other areas as needed. They indicated that they will be helping out again next year. Many of you worked the food concessions while others supported our sub-chairmen. **Bill Read** who reported 90 Antique Engines, Tractor and Equipment exhibits; **Mike Federspiel** of the Volkswagen group who reporting 26 VW entries. 38 other classic cars entries were reported. **Bonnie Haskell**, who reported we had 13 Flea Market and craft setups; **Pat Thompson** and committee with the help of others that furnished items allowing the makeup of over 150 baskets including gift certificates; and **Barbara Diebold** for overseeing those that pitched in at the baked goods booth. We will miss member **Ron Wendt**, who went all out selling raffle tickets in previous years. This is getting to be too much of a struggle for him. Most importantly we were able to get those near and far to see our fine farm museum and we had a fun time doing it.

We are also thankful for support received from the **Sanborn Fire Company Band** playing during the event; **Hebelers Sales & Service** who provided use of a 4-wheeled vehicle; **the Niagara County Sheriff's Department** for proving their K9 presentation in addition to providing their work release workers to help during the festival the **Town of Lewiston Police** for providing traffic control the days of the festival; the **Milleville Farms** for allowing us the use of their land as a drive through for the tractor parades; **Modern Disposal** for use of their dumpster, portable toilets and pumping out the holding tank for the sewage from our flush toilets; **Hoover's Dairy Store** for ice cream and toppings; **Wendt's Propane** for propane; and **Tops of Lewiston** for furnishing rolls. We especially thank the donors of baked goods and for those that donate items and made up the baskets for the basket auction.

We thank our sponsors for their money donations: **Orleans Monument Co, Grigg-Lewis Foundation, Town of Lewiston, Niagara River Region Chamber, Rhoney's Funeral Homes, Davis Insurance, NF Bridge Commission, Gorge Travel, Sanborn Old General Store, Wheatfield Pediatrics.** Again this year, we thank the generosity of the following who allowed us to give out Door Prizes to the tractor entries: **Beaver Printing, Colden Enterprises Inc., Custom Woodworks, Dyferts Truck and Auto Repair, Fichte, Endl & Elmer Eye Care, H.A. Treichler & Sons, Tina's Restaurant, Stevenson's Hardware, Willco Auto Care, and Landpro Equipment Co.**

LANDSCAPING & CONSERVATION by Joan Shaw, 731-5653, Chairman-

It has been a very busy summer at the farm. Extreme heat and dry spells created challenges of endurance for both plants and people. Our hero gardeners stepped up to the plate with unwavering attention and care to ensure their wellbeing. It is a big effort on their part and a big thank you goes to **Shirley Simrell, Wes and Sally Miller, Brenda Runk, Bonnie Bagwell, Gwen King, Glenn Wienke and Nancy Smith.**

Over the course several weeks, workers from the Niagara County Sheriff's Work Program planted shrubs and perennials around the Legion/Church building. The gardens are now complete.

A record number of 9 memorial trees were planted this summer. Our behind the scenes guys, **Gary Townsend and Fran Haskell** arranged for and operated the back hoe needed to dig holes large enough for trees. Gary supervised the planting of each tree. These trees are an important addition to the farm and will only grow in beauty in coming years. Thank you **Gary and Fran** for all the effort involved in planting the new trees.

If you are considering the purchase of a memorial tree, rest assured the farm can accommodate many more trees. In fact there is a lovely crab apple tree already planted on the property that is available for purchase with a granite stone marker as a memorial to a lost loved one. Contact **Gerry Treichler** if you are interest in this tree.

Our beautiful meadow conservation area in the back acres is in trouble. Species of aggressive purple loosestrife and phragmites are invading the fields and destroying native plant life in the process. We have been in contact with **Mark Seider** from the Niagara County Soil and Water District. He has been selectively treating the fields as much as he can. SAHS has continued with the required mowing program, but in spite of these efforts it is clear that we need to consider other methods as well. Through Mark we have caught wind of an experimental purple loosestrife eating bug. I never thought I could get excited about bugs, but we will look into its potential for weed control. Meanwhile, **Leonard Wienke** volunteered to mow certain threatened meadow areas. Thank you, **Leonard.**

Views are important. Part of the charm of the SAHS farm is the beautiful expanse of open farm fields that surround the property. The serenity that these views convey overlaps our farm and firmly connects us to the neighboring community. With the

removal of yet another greenhouse near the western border, a breath taking view of a neighboring farm is now easy for all to enjoy.

Again, thank you to all volunteers for your dedication and support of the Farm Museum.

COLLECTIONS COMMITTEE, Jane Schultz-Chmn (Ph. 731-9404) Assisted by Elaine Timm and Valerie Dumpleton-

Normal work times are from 9 to 11 AM, the 2nd Tuesday of the month at the schoolhouse museum.

Jane reports that the following has been received since the last reporting period and approved by the board: 2 chandeliers from **Schimshack's Restaurant**

chandeliers from Schimshack's Restaurant

donated by **Paul Beecher**. These were given to Paul by Mike Kelley Construction as he is renovating the restaurant for use as a Banquet Hall. It is believed that they were part of the new restaurant built after the original one burned in 1974.

PROGRAMMING- Glenn Wienke, Chairman, 731-5982-

We thank **Glenn** and his committee of **Ruth Carmer, Fred Robertson, Don Thompson, and Marilyn Wittkowsky** for making the reminder calls. We also thank refreshment chairperson **Valerie Dumpleton** for coordinating the refreshment program and **those of you who have accepted her call** to furnish cookies or other refreshments at our monthly meetings. Although refreshments are free, we have a box for money donations for those unable to do this or are so inclined to help us with incidental expenses and to defray the cost for our meeting program speakers and rental fee for the use of the Fire Hall.

Our programs for the rest of the year are : for Oct 23, **Meri Dembrow** will present "**The Life & Times of WW I Major General Dennis Nolan of Akron**". He was Intelligence & Security Officer for Gen Pershing's Staff. (November 11 is the 100th Anniversary of WW 1.) For Nov 27, **Denise Reichard** of Getzville will be present "**More than a Magi**".

We welcome all members to attend our regular program meetings that are held at 7 PM on the 4th Tuesday of the month at the Sanborn Fire Hall. After a one-half hour business meeting we get into the special program of the evening, with refreshments afterwards. **This is a good time to pay Shirley your dues for the coming year. There will be no meeting in December.**

Receipt of Crazy Quilt

Mary Small of Colorado brought her Crazy Quilt (below) with the ribbon (right) sewn into the quilt to the Legion Hall in 2005 for about 75 of us to see. The ribbon has the names of 52 men from the Sanborn area that died during the Civil War and also notes on the ribbon "Alexander Mabon GAR Post 125, Sanborn, NY". Since that time she has been researching the details of how the soldiers died, when and where buried. There is a possibility that Mary will be here for the dedication or at least send the quilt that she is donating to SAHS.
