SALUBRIS

President's Message

We continue our first full year of events since the pandemic started!

Great job by our hard working volunteers on the Car Parts Swap Meet and Pork Dinner. If you can help on any of our activities like these, let myself or one of our Board Members know. We can use additional help.

We are also in critical need of Museum Sitters. Please contact Glenn Wienke or one of the Board Member if you can help sit at the Museum so we can be open for the public to enjoy our Museum!!

The Solar Project was approved by the Town of Lewiston. Thanks to the Town of Lewiston for the continued support. There is some final Engineering work, project planning and final agreements to take the power generated before construction will begin near the end of 2022.

We have another great Farm Museum Festival Planned July 23 & 24. Thanks to everyone for your support and have a great summer!!

SOLAR PROJECT:

The SAHS Solar Project was approved by the Town of Lewiston Planning Board and then the Town of Lewiston Town Board. Thanks to the Town of Lewiston for their support!

We now are waiting for final agreement with **National Grid** on taking the power generated and for **Borrego** to complete the engineering work. At this point, construction work on the project is expected to start at the end of 2022.

The rental income from the project is essential for SAHS to be able to pay our ever increasing expenses.

WEST STREET SCHOOL VISIT

On June 15, 56 3rd and 4th grade students and 13 teachers visited our Farm Museum. This is the 2nd time that they were able to use the sidewalk to see our museums since they now have the Town of Lewiston as an escort to buffer them from the busy Rte 31 traffic. We enjoyed them with their many questions as they divided into 4 groups and toured our exhibits in the Read Memorial Museum, the Wienke Barn, the Treichler Building and ending up at a slide show presentation in the Townsend Hall. Their favorite was "MooTwo" our 2-headed calf exhibit that was previously named by a Niagara-Wheatfield student.

STUDENTS FROM WEST STREET SCHOOL

USDA LOAN:

SAHS will start making payments on our loan from the USDA Rural Development on July 31, 2022. The **USDA** allowed a two-year delay or a non-payment amounting to \$25,800 on our loan payments because of the Covid-19 Pandemic. The approximate \$144,512 remaining on our loan of \$215,000 at an rate of 5/8%, taken out in July

2006 will then continue, possible at a lower interest rate, until 2038. This delay in addition to the large membership donations above our normal dues has allowed us to remain solvent during the past two years even though we were unable to host our fundraisers.

SCHOOLHOUSE MOVE

SAHS approved submitting an application to the Town of Lewiston to move the Schoolhouse Museum to the Farm Museum grounds, using Town Greenway funds. The application has been prepared and has been submitted. This will place all of our museums at one location for economic reasons. The movers say that all items in the museum can remain in place and there will be no damage to them during the move.

LEGISLATURE GRANT

SAHS made application to the Legislature for a \$2000 grant to be provided from their Community Partnership Fund. This will go towards the purchase of stone very much needed to maintain our lengthy driveways and our 90 car parking lot.

BARN ROOF

The roof of the barn needs to be replaced. Due to exposure to severe wind, many shingles are missing. Estimates will be prepared to receive a possible grant..

WORK PROGRAM - Gary Townsend Chmn (Ph 716- 523-0753)

The **Niagara Co Legislature** will provide 3 youth to work around the Farm starting July 5th, paid by the **Niagara County Youth program**. In years past, we had the **Sheriff's Work Program**, now abandoned, that provided up to 6 workers about 50 times throughout the year to assist us in our activities and maintaining our facilities as needed. They even painted our red barn and helped to the gut and renovate it with new drywall, paint, replacing of the wainscoting, and removing of the floor over-lament down to the bare floor.

If any of our members are willing to help with tasks such as weed-whacking, gardening, washing windows, moving tables around for our activities, etc, please call Gary.

CAR PARTS SWAP MEET AT FARM

The weather was beautiful for our 6th year of hosting the **Car Parts Swap Meet**. Vendors for this event keep growing and buyers fill our parking lot and other areas as well. Our food concession group did an excellent job keeping up with customers. We had many visiting our Farm Museum. **Great job one and all!**

CAR PARTS SWAP MEET
